## NOVEMBER 1974

## Annual Reunion and Turkey Roll Friday, December 6th, 1974

Once again, the time has arrived for our Annual Reunion and Turkey Roll which has proven to be one of our most popular events of the Alumni Year. As in the past, the Turkey Roll will be held in the School Gym on the first Friday (the 6th) of December 1974 commencing at 8:00 p.m. This year's event is being co-chaired by Michael Duffy and Joseph Lanno. Free food and refreshments will be served to all in attendance.

The evening provides all members of the Alumni Association to renew old acquaintances, have a little

fun at the games tables, and maybe win a turkey for Christmas.

A registration table will be set up outside the Gym and your paid-up membership will be your admission to this year's event. Guests are always welcome and will be charged \$3.00 at the door for their admission.

So call up your old classmates and friends and come as a group. Attendance over the past few years has been between 400 and 500 and everyone has thoroughly enjoyed themselves.

DON'T MISS THIS EVENING. YOU'LL BE SORRY  
IF YOU DO.

## Message from the President

I am truly honoured to be asked to accept the Presidency of the Alumni Association and to take on the responsibilities that have been so ably carried out by my predecessors. It is a great privilege to be given this opportunity and along with my able Alumni Executive and Councillors we have once again planned an interesting program for the 1974-75 season.

Our Moderator this year is Father Joseph Penny and I take this opportunity to thank him on behalf of the executive for his guidance and leadership throughout the past years. Our thanks also go to Father Norman Fitzpatrick, Principal of the School for his support and assistance in all our endeavours.

This year's Annual Reunion and Turkey Roll will be held in the School Gymnasium beginning at 8:00 p.m. on Friday 6th December 1974. Mark it on your calendar and plan to attend. This event gives us a perfect opportunity to renew old acquaintances and I

strongly urge you to come.

Beginning on Sunday 1st December 1974 the arena has again been reserved for Family Skating from 12 noon to 1:30 p.m.

The Alumni Communion Breakfast this year will be held in February of next year and we welcome you to bring your entire family and friends. The exact date and speaker will be announced in the next Blue Banner.

The Annual Scholarship Draw and Banquet Supper has been scheduled for Wednesday 28th May 1975.

I am certain that these events will be thoroughly enjoyed by everyone and I extend to you all a cordial invitation to come out and join us at these upcoming events.

Sincerely,  
Bill Rosenitsch.

## Attention All "Bathurst Street" Grads

We have a problem and we need your help! The School Year of 1975/76 will mark the 25th Anniversary of the opening of St. Michael's College School at 1515 Bathurst Street. Your Alumni Executive would like to hold one major event during 1975/76 to help commemorate this 25th Anniversary. We would like you, the Alumni members and Graduates of the Bathurst Street School, to play an important role in the Anniversary Celebrations. We would like to see as many Alumnus participate as possible.

Our problem at this time, is to determine what type of activities would be feasible so that as many of our members as possible may participate. You can help by

letting us know what you would like to see as an appropriate and fitting Anniversary Celebration. Please forward your suggestions to:

The Editor, The Blue Banner,  
c/o 20 Rothwell Road,  
Scarborough, Ontario. M1R 4K8

Your Executive will take a close look at all suggestions and advise the membership well in advance of the planned events. Please help us out with your suggestions.

## Have You Renewed Your Membership?

Have we received your membership fee for the 1974-75 Alumni year? We depend on your yearly dues in order to keep the Alumni Association operative and also to keep up the present level of Scholarship Funds which we have been donating to the School over the past few years. Until the current year, we have not deemed it necessary to increase our Membership Fee for the past four years. But like everywhere else, inflation has hit our Alumni Association with increased costs, especially printing and postage costs, and our fee had to be raised to \$5.00 this year. Last year we received just over \$2,100.00 in paid-up Mem-

bership Fees, which was about \$1,000.00 better than the previous year. We have a mailing list of 3,000 Alumnus but last year we received paid memberships from only slightly more than 500 members. So help us by sending in your \$5.00 soon.

Once again your paid membership fee will be your admission to this year's Turkey Roll on Friday, December 6th, 1974 and will be collected at the door if it has not yet been received.

# YOUR ALUMNI ASSISTS WITH SCHOLARSHIPS

Did you realize that your Alumni Association is the only major contributor to scholarships for students attending the school? In the past three years, your Alumni Association has presented the school with \$13,500. in scholarship funds and all of these funds have been well placed with the careful guidance of Father Fitzpatrick and his Scholarship Selection Committee.

The following is a short summary of how one of our scholarships helped a present student at the school.

"Thanks to a bursary received from the Alumni Association I was able to go to Mexico this past summer on a youth work project sponsored by the Basilian Community. The actual physical accomplishments were in the making of a basketball court, a community centre and showers for a village and in the painting of a church. The people we worked with impressed me as simple, charitable and deeply religious with a faith that can almost be described as "blind". The project took us to rural areas which enabled us to come in contact with the real people of Mexico and

their problems not encountered by the tourist. I think that this contributed to the success of the project and allowed us to gain more out of our experiences.

This opportunity has added another dimension to my outlook on life, setting things in the right perspective. The common comment at dinner that there are people in the world who are starving and would be happy with our left-overs takes on new relevance. Now I know it is true. "Hunger". It is very hard in our affluence to understand the word. I can't say that we should reject our life style because of this, but I only know that now I am a little more aware of what is really real. Maybe this is payment enough for the experience.

I hope that others will benefit from your bursaries in the future as much as I have."
